Russian Passage:

Однажды я возвращалась с урока по гитаре. У меня была назначена важная встреча, и я опаздывала. (1)	обычно после
урока я ехала домой, я плохо знала, какой транспорт мне был нужен, (2) добраться до центра. Издалека	я увидела стоящий
на остановке автобус. (3) я не видела номера, я решила, что он идёт в нужную сторону, и побежала. Авто	бус закрыл двери
и тронулся, едва я прыгнула в него. У меня на плече была гитара, в руке сумка. (4) не упасть, я схватилас	ь за ближайший
поручень. Но это мне не помогло, (5) поручень начал шататься. Я посмотрела на него, и с ужасом понял	1а, что это не
поручень, а трость пожилого человека, который сидел у входа. (6) сиденья располагались чуть выше с	основного салона,
и (7) трость была серебристая, как и поручни, спутать их было легко. (8) ситуация была смешн	ная, мне было
не до смеха. Я извинилась и продвинулась вглубь салона, (9) быть подальше от места моего позора. Я был	ıa (10A)
ошарашена, (10В) едва не забыла спросить у пассажиров какой это был номер автобуса. Оказалось, что он	н ехал совсем не
туда, куда мне было нужно, (11) мне пришлось выйти на следующей остановке. (12) мне не приш	ілось платить за эту
короткую поездку, она мне стоила многих нервов. (13) я её запомнила надолго!
